1. SUMMARY

The California Workforce Association (CWA) is accepting proposals to offer consulting services to the Workforce Development system in California. The purpose of this RFP is to provide a fair evaluation for all candidates in order to establish a list of consultants in key topic areas that can be accessed by California's workforce development system.

CWA is soliciting qualified individuals and organizations to provide a full range of consulting services related to the workforce development system in California.

2. BACKGROUND OF ORGANIZATION

Our Mission

CWA has in its membership the 45 Workforce Development Boards (WDBs) in the state of California, whose Directors serve as our Board, along with a WDB Member representative. We also have affiliate members, which include Chambers of Commerce, post-secondary and K-12 education organizations, Community-Based organizations, private training providers, and other workforce development stakeholders. CTI is solely for use by CWA's Members and affiliate members.

In addition, CWA has been awarded the Partnerships, Technical Assistance, & Training grant to support and coordinate regional training across California's 14 Regional Planning Units through 14 designated Regional Training Coordinators. All 14 Regional Training Coordinators have submitted regional training plans to be administered over the course of PY 17-18 and have been utilized in this Request for Proposal. Funding for this effort is being supported by the California Workforce Development Board.

2a. Brief Background on Organization

The California Workforce Association (CWA) is the premier organization for providing capacity building, leveraging partnerships, and facilitating dialogue to strengthen the Local Workforce System in the state.

Local Workforce Systems are where industry connects with workforce to promote economic development and gainful employment for all.

Our vision for California's Local Workforce System consists of the following:

- Promote Regional Work, focusing on Demand Sectors to promote Regional Economic Development
- Increase usage of Earn and Learn Models, such as Apprenticeship, WEX, and OJT
- Develop Skills and Credentials of Incumbent Workers to help increase Income Mobility
- Develop Career Pathways starting with K-12 and through a person's work life
- Share Common Benchmarks across Stakeholder groups to produce greater outcomes and enhance partnerships
- Build the capacity of California's workforce system utilizing predetermined training topics to implement the State, Local, and Regional Plans.

3. PROPOSAL GUIDELINES AND REQUIREMENTS

This is an open and competitive process.

Proposals received after 5:00 PM PST, Friday, March 30th, 2018, will not be considered.

The proposal must contain the signature of a duly authorized officer or agent of the company submitting the proposal.

The price you quote should be based on an hourly fee or daily rate. The fee must be inclusive, including CWA's 15% admin fee in the price, with the knowledge that 10% more will be added if individual registration pages must be developed by CWA for the training rather than a single billing for a flat fee. If your price excludes certain fees or charges, you must provide a detailed list of excluded fees with a complete explanation of the nature of those fees.

If the execution of work to be performed by your company requires the hiring of sub-contractors, you must clearly state this in your proposal. Sub-contractors must be identified and the work they will perform must be defined. CWA will not refuse a proposal based upon the use of sub-contractors; however we retain the right to refuse the sub-contractors you have selected.

Provisions of this RFP and the contents of the successful responses are considered available for inclusion in final contractual obligations.

This RFP does not commit the California Workforce Association, its members, local workforce boards or any other party to award a contract and may be withdrawn, amended or modified at any time at the sole discretion of CWA. CWA will not pay any costs incurred in the preparation, submission or consideration of a Proposal to this RFP, nor any other costs of any kind incurred prior to the effective date of a contract awarded by CWA.

4. CONTRACT TERMS

Successful bidders will be added to the CTI webpage. Agreements that outline CTI terms will be executed with each successful bidder for a period of one year, with the possibility of an additional one year extension.

CWA will negotiate individual contract terms upon selection by one of CWA members and/or their representatives in regional organizing or regional training work. All contracts are subject to review by CWA legal counsel, and a project will be awarded upon the signing of an agreement or contract, which outlines terms, scope, budget and other necessary items.

5. PURPOSE AND OBJECTIVES

Purpose

Prior to the formation of CTI, capacity building and technical assistance offerings to the workforce development system in the state of California were inconsistent, misaligned, and often difficult to administer across communities and regions. CTI enables CWA to streamline the offering of consulting, capacity building and technical assistance training to the field and, additionally, to a wider variety of potential organizations, including partners who have an interest in these training sessions with the advent of WIOAs implementation.

Objective

Our primary objective is to develop a stronger, more strategically aligned and easily accessible, fully-procured list of consultants for capacity building and technical assistance for California's workforce development system.

Our Vision

- Fully procured consulting, capacity building, and technical assistance training offerings posted on the CWA Training Initiative website.
- Procurement will allow CWA to provide the best pricing and highest quality consulting services to the field.
- CWA will promote the CTI Consultant List not just to the typical partners and Regional Training Coordinators, but to new partners who may have an interest in said trainings with the advent of WIOA, thereby adding additional opportunities for CTI providers to provide their services.
- CWA will promote the Consultant List and CTI providers heavily at conferences and various meetings around the state.
- CWA has entered into agreements with the State of California to provide training for state, regional, and local organizations associated with workforce development, and the CTI will be the centerpiece of those discussions, again giving CTI providers the potential for growth with their reach in the state.
- CWA will make contact between the consultant and the contracting organization through the CTI and will enter into contractual agreements with both parties.
- CWA will handle all payments. For lump-sum payments, CWA will pay the trainer within 30 days of receiving payment from the contracting organization. For individually registered sessions, CWA will pay the trainer within 30 days after receiving all payments from individuals registered for the training class.
- Regional Training Coordinators will utilize a wide variety of capacity building training topics and consulting services along with a list of standardized training core curriculums specifically developed for AJCC Staff, AJCC Management, WDB Staff, and WDB Leadership and Members.

12. EVALUATION CRITERIA

Projects will be scored individually as outlined below.

RFP COMPONENT	Points
SECTION I – COVER PAGE	5
SECTION II – ORGANIZATIONAL OVERVIEW/EXPERIENCE	30
SECTION III – STAFF QUALIFICATIONS	35
SECTION IV – BUDGET	30
TOTAL	100

A review panel will evaluate all RFPs received. Successful proposals will have received a minimum of 80 points to be accepted to CTI. It is understood and accepted by Respondent that all decisions and the degree to which a Proposal meets the evaluation criteria and the overall needs of the Association and its members are within the purview and judgment of CWA staff and its Board of Directors.

Following release of this RFP through the completion of the evaluation process, respondents should not contact CWA members or CWA staff charged with oversight of this project to avoid conflicts of interest, appearance of conflicts of interest, or undue influence over the process. Comments, questions or clarifications regarding this RFP may be handled through the CWA Program Director below:

Matt Hidalgo

rfp@calworkforce.org

During the evaluation process, CWA reserves the right, where it may serve CWA's best interest, to request additional information or clarification from proposing firms, or to allow corrections of errors or omissions. In addition, qualifications and references of the top firms will be verified. Personal interviews of the top candidates may be conducted

Selected Respondents may be invited to participate in oral presentations and/or interviews as deemed necessary by the Proposal evaluation panel. All Respondents are advised to be prepared for a presentation and/or interview on short notice. Oral presentations/interviews will be based on Respondents' Proposal and shall not include any new information or presentation not included in the Proposal. The individual that will be directly responsible for carrying out the contract, if awarded, should be present at the oral interview.

A representative of CWA will negotiate the terms and conditions of a contract with the selected firm upon being chosen as a service provider by a CWA member organization. The contract will require that the firm maintain general liability, professional liability, automobile, and workers' compensation (if necessary). The contract will also contain certain provisions requiring the selected firm to indemnify CWA. Provisions will also be included in the contract allowing CWA or the member inquiring for the service to terminate the agreement, at its sole discretion, upon the provision of notice.
