

Emerging Model – Universal pathways linking Adult Education and Community Colleges

Principles

“No Wrong Door” - Multiple points of entry to the path to a better career

State Adult Education Data Metrics

- How many adult education program students that enroll – actually make it into an instructional program?
- Statewide Average = 67%
- Of those students in an instructional program, how many are showing any progress or successful outcomes as defined by AEBG/AEP metrics?
- Statewide Average = 30%

Regional Data Metrics (16-17)

Super Region	12 hours or more	12+ / Progress
Central Valley	56.95%	38.90%
North State	57.39%	16.00%
Bay Area	66.18%	28.92%
Central Coast	60.80%	28.08%
Inland Empire	63.41%	31.54%
Los Angeles	72.09%	35.07%
Orange County	70.82%	13.47%
San Diego-Imperial	69.82%	27.61%
Statewide	67.00%	30.00%
